

Connectyx Appoints Leading Orthopedic Surgeon as Chief Medical Officer and Director

PALM CITY, Fla. (Market Wire), May 26, 2009 – Connectyx Technologies Holdings Group, Inc. (OTCPK: CTYX) is pleased to announce today that the Company has appointed William E. Carlson, M.D. as its Chief Medical Officer. Connectyx Technologies Holdings Group Board of Directors also approved the appointment of Dr. Carlson as a director of the Company. Dr. Carlson has been a leading orthopedic surgeon for 23 years in both Minneapolis and South Florida.

Dr. Carlson is a Board Certified Orthopedic Surgeon who has been in practice of his specialty since 1986. Originally from the Chicago area, Dr. Carlson attended the University of Illinois where he received a Bachelor of Science in Biology, followed by his Medical Degree from St. Louis University School of Medicine, in St. Louis, Missouri. Dr. Carlson completed Orthopedic Residency at Wayne State University in Detroit, Michigan. He began his career in the Minneapolis area, initially at Comprehensive Medical Care, a multi-specialty group with more than 65 physicians, becoming Partner and Board member prior to a corporate acquisition. Subsequently, Dr. Carlson established his first orthopedic specialty practice serving the northwest region of Minneapolis.

After relocating to Florida, Dr. Carlson co-founded South Florida Orthopedics & Sports Medicine, and has been its Manager Partner since inception. As a member of the Medical Staff at Martin Memorial Health Systems, he has served on the Medical Executive Committee for the past ten and a half years. He is currently President of the Medical Staff of Martin Memorial Health Systems, and a member of the Board of Directors of Martin Memorial Health Systems. He serves on the Board for several corporate, educational and non-profit entities.

"I am excited about joining Connectyx and helping the Company realize its overall business plan. Connectyx's products and solutions for digitalizing personal health records fit perfectly with the direction that the medical profession in the United States is heading," stated Dr. William E. Carlson, Chief Medical Officer of Connectyx Technologies Holdings Group, Inc.

"Dr. Carlson has the knowledge and experience in helping Connectyx establish a strong foothold in the medical community as we continue to develop our products and solutions for digitalizing personal health records over the next several years," stated Ronn Schuman, President and CEO of Connectyx Technologies Holdings Group, Inc.
