

**Connectyx announces the launch of MedFlash II, its New Personal Health Record and Wellness Portal at HIMSS in Orlando, Florida**

**Palm City, Florida, February 22, 2008. Connectyx Technologies, Inc.(OTCPK:CTYX) announces the** release of its new version of Medflash to consumers nationwide and will be showcasing it at the HIMSS trade show, booth 4585 in Orlando Florida next week. Ronn Schuman the company's CEO stated " We are very excited about the release of our MedFlash personal health record (PHR) and lifestyle portal. We have taken a revolutionary step in creating an easy to use PHR, as well as adding features that will allow consumers to manage all areas of their lifestyle, focusing on wellness." Schuman further stated "The new version of Medflash that will be available in retail stores and on the internet over the next few weeks will allow users to log on to their personal health record either by accessing their flash key or by going directly to the MedFlash portal". Medflash will also give customers access to other health records and portals and plans to integrate with hospitals, insurers and other employers whom want to use this innovative gateway

**Connectyx Technologies is a publically held company that provides business intelligence software, which provides technical excellence, innovation, and performance. This is accomplished by incorporating a dynamic denial resource system, data warehousing and knowledge management in a "user friendly" environment.**
