

Connectyx Technologies Announces Angie's List® Physician Review Program for MedFlash® Members as New Membership Benefit

MedFlash® Members Receive 15% Discount for Being MedFlash® Member When Signing Up for Angie's List®

PALM CITY, FL--(Marketwire - 12/06/10) - Connectyx Technologies Holdings Group, Inc. (Pinksheets:CTYX) ("Connectyx"), www.connectyx.com, manufacturer and distributor of MedFlash®, the nation's premier Personal Health Management System (PHM) for maintaining personal health records (PHR), announced today that the company is offering MedFlash members a fifteen percent (15%) discount when subscribing to Angie's List through their MedFlash Benefits program.

Angie's List currently receives more than 10,000 consumer reviews of physicians and other healthcare providers each month, covering more than 150 categories of health care service. Members use the reviews to gauge the level of customer service provided by the health care professionals before they select their practitioners. After service is provided, the members grade the service they received. Health care professionals are encouraged to monitor and respond to consumer reviews to help maximize the quality of the consumers' health care experiences.

The MedFlash® PHM Portal also features a 24/7/365 call center, a USB flash drive and a smart phone application. The MedFlash® PHM provides additional member benefits and services including instant access to a subscriber's Emergency Medical Profile and Personal Health Record in the event of an accident or a medical emergency. For more information, see www.medflash.com

Ronn Schuman, Connectyx CEO, said, "We are happy to offer Angie's List to our members with a preferential discount of fifteen percent to our growing list of additional member services and benefits. Judging by the successful expansion into healthcare reviews initiated by Angie's List, introducing our members to this exciting medical review program driven by consumers will be a great enhancement to those who have an interest in obtaining the best medical care. "
