

Personal Health Records Provider, Connectyx Technologies (CTYX) is Featured Interview on CEO Central Radio Tonight at 8:00 PM EST

Ronn Schuman, CEO of Connectyx, to Be Interviewed Live to Discuss Distribution Ramp Up of MedFlash® Personal Health Management System

PALM CITY, FL--(Marketwire - 12/14/10) - Connectyx Technologies Holdings Group, Inc. (Pinksheets:[CTYX](http://www.connectyx.com)) ("Connectyx"), www.connectyx.com, manufacturer and distributor of MedFlash®, the nation's premier Personal Health Management System (PHM) for maintaining personal health records (PHR).

Compatible with Google Health and Microsoft's Health Vault, the MedFlash® PHM is an easy to use Personal Health and Lifestyle Manager that is accessible using a powerful web portal suite. The MedFlash® PHM also features a 24/7/365 call center, a USB flash drive and a smart phone application. The MedFlash® PHM provides member benefits including instant access to your Emergency Medical Profile and Personal Health Record in the event of an accident or a medical emergency. Whether traveling, at work, or at home, First Responders have an invaluable advantage when they have access to this time critical information. Far more than just an emergency flash drive the MedFlash® PHM can be accessed on any computer, securely and with complete privacy. There are also lifestyle and wellness features that provide significant health benefits to members and risk mitigation for employers and insurers alike.

The U.S. Electronic Health Record (EHR) Market is poised to grow at a rate of 13.5 percent annually over the next four years, and by 2015 it will top \$4.85 billion, according to a new study by Kalorama Information.

The interview will be held on December 14th at 8:00 PM EST, and can be heard at <http://ceocentral.com/page/radio>. The interactive question and answer session can be accessed from the main room at <http://stocktraderschat.com>. An archived recorded version can be found on the homepage of CEO Central at www.ceocentral.com, following the live interview.
