### **MedFlash ® Features and Benefits**

The MedFlash® PHM Portal features a 24/7/365 call center, a USB flash drive and a smart phone application. The MedFlash® PHM provides additional member benefits and services including instant access to a subscriber's Emergency Medical Profile and Personal Health Record in the event of an accident or a medical emergency. First Responders such as police, emergency medical technicians (EMT's) and firefighters have access to time critical information for victims who may be comatose or unable to communicate pertinent medical history information. The MedFlash® PHM can be accessed on any computer, whether in an ambulance or an emergency room, securely and with complete privacy. Lifestyle and wellness features are delivered to members that have the potential to result in significant health benefits to members following the healthcare advice. With the increasing focus on cutting costs and risk mitigation by both employers and insurers, the MedFlash offers a low cost addition to the various initiatives necessary for maintaining and reducing costs of current healthcare delivery systems.
