

Connectyx Technologies retained the Marcum Group in New York as its independent registered public accountant for the purpose of becoming a fully reporting company

Palm City, FL., Sept. 30th 2009, /PRNewswire-FirstCall/ - Connectyx Technologies Holding Group Inc. (Pink Sheets: [CTYX](#) - [News](#)), announced today that it has retained Marcum LLP, New York, NY as its independent registered public accountant for the purpose of becoming a fully reporting company. Services to be provided include auditing and preparation for filing Form 10 with the SEC. These services are the next step for Connectyx in order to become a Fully Reporting Company in 2010.

Connectyx President and CEO Ronn Schuman stated: “We are excited to take this important step in our development as a company. Marcum is one of the largest and most recognizable independent accounting firms in the nation, and we are honored to have them perform this service for our company and its shareholders”. Marcum LLP was founded in 1951 and has grown to be one of the largest accounting firms in the U.S. with a significant SEC practice. Marcum LLP is also a founding member of the Leading Edge Alliance, which is an international group of independently owned accounting firms.

Connectyx Technologies provides unique products for the healthcare market including the electronic Personal Health Record (ePHR), MedFlash.
