

Connectyx Retains Services of CP Capital Securities as it Expands its Presence in the \$5 Billion US Electronic Health Record Market

PALM CITY, FL—May 10, 2010 /PinkSheets-FirstCall/ -- Connectyx (CTYX.PK) - Connectyx Technologies Holdings Group, Inc. is pleased to announce that the Company is set to expand its market presence in the U.S. Electronic Health Record (EHR) Market. The EHR market is poised to grow at a rate of 13.5 percent over the next four years, and by 2015 it will top \$4.85 billion, according to a new study by Kalorama Information. Connectyx Technologies has retained the services of CP Capital Securities, a full-service SEC regulated Broker Dealer, to assist in raising capital and develop additional sales strategies for Connectyx Technologies over the next twelve months.

CP Capital Securities, is a full-service SEC regulated Broker-Dealer, a Registered Investment Advisor and a fully disclosed correspondent of National Financial Services, Inc., a wholly-owned subsidiary of Fidelity Investments, Inc. Capital Securities offers a wide range of corporate finance services, specializing in Private Placements, start-up and early stage companies. CP Capital Securities offers a suite of integrated financial services with a key focus on corporate finance and investment banking.

Connectyx is seeking to raise \$3 Million and launch its newly revived marketing and sales campaign in 2010. The Company plans to increase revenues from its marketing efforts targeting new opportunities such as, on air TV sales, which will aid in the penetration of the \$5 Billion U.S. EHR Market. The Company is preparing to launch MedFlash™ Personal Health Network, which is a powerful new service being developed to allow the MedFlash™ device and online personal health manager to synchronize with other resources including smart phones and online services like Google Health and Microsoft Health Vault. Connectyx's goals are to extend its appeal in the marketplace for improved health, wellness and lifestyle.

“We are looking forward to working with CP Capital Securities in 2010 and expect a very promising year,” stated Ronn Schuman, President and CEO of Connectyx Technologies Holdings Group, Inc. “We are excited about the results Connectyx has achieved over the last several months given the slow economic conditions. Our MedFlash™ continues to gain momentum. We are excited by the growth rate we have attained and hope to increase our sales revenues substantially over the next twelve months.”
