

Connectyx to launch MedFlash™ with Shriners International – Shrine Savers

PALM CITY, FL -- (PRNEWSWIRE) January 13, 2010 -- Connectyx Technologies Holdings Group Inc. (Pink Sheets: CTYX.PK) is pleased to announce that it has joined forces with ShrineSavers in a marketing agreement that will give Connectyx direct access to the 350,000 Shriners and their families for the promotion of Connectyx technologies MedFlash™ Personal Health Manager (PHM).

MedFlash will be highlighted on the home page of ShrineSavers member benefit program www.shrinesavers.com, and MedFlash will be featured in many other Shriners publications and in the Shriners E-News program.

Dale Clemons, director of the ShrineSavers program stated: "I am confident that the MedFlash program will be well received by our membership and provide a very valuable service". MedFlash is innovative health and lifestyle product that has value for all Shriners and we are proud to present this product to our members." Ronn Schuman CEO of Connectyx remarked: "Our MedFlash product is ideally suited to Shriners and their health conscious families. In addition, we expect our association with Dale Clemons and his excellent marketing programs to help us build our brand within many new venues."

About ShrineSavers:

An exclusive and dynamic "members only" benefit program that provides benefits for Nobles, their families, businesses and Shrine Centers. Shrine Savers was created as a privilege and special thank you to members for their commitment and dedication to the fraternity and philanthropy.

About Connectyx Technologies Holdings Group Inc.

Connectyx Technologies provides unique products for the healthcare market including the electronic Personal Health Manager (PHM), MedFlash. Compatible with Google Health and Microsoft's Health Vault, MedFlash is an easy to use Personal Health and Lifestyle Manager that is accessible using a powerful web portal suite, it also features a 24/7/365 call center, a USB flash drive and our soon to be released smart phone applications. The MedFlash PHM provides the benefit of having its members Emergency Medical Profile and Personal Health Record available instantly in case of an accident or a medical emergency. Whether traveling, at work, or at home, First Responders have an invaluable advantage when they have access to this time critical information. Far more than just an emergency flash drive, MedFlash can be accessed on any computer, securely and with complete privacy for members. There are also lifestyle and wellness features that can provide significant health benefits and cost and liability savings for its members, employers and insurers alike.

MedFlash members are also able to arrive at their Doctors offices with their paperwork pre-printed and ready to go, insurance information and advance directives are available at a moment's notice through their partnership with Instant Medical History a leader in patient interview software. Prescriptions can also be listed for the physician's reference. Those are just a few of the time saving features the MedFlash PHM provides. Connectyx products are developed with the needs of Patients, Families, Doctors and First Responders in mind. For more information, please visit our websites at: www.connectyx.com and www.medflash.com
