

## **Connectyx announces distribution partnership with United States Medical Supply**

PALM CITY, FL., Dec, 17<sup>th</sup> PRNewswire-FirstCall/ -- Connectyx Technologies Holding Group Inc. (Pink Sheets: [CTYX](#) - [News](#)) announced today that it has formed a distribution partnership with United States Medical Supply, a leading Mail Order distributor of Diabetic Supplies, Respiratory Supplies and Medications as well as Bladder Control Products and the VED Erectile Dysfunction System.

Terms of the partnership were not disclosed, however Connectyx President Ronn Schuman stated that, "This partnership adds to our growing distribution channel for MedFlash and enables us to gain vital experience with the unique record keeping needs of the diabetic population. We expect this to be a fast growing business model for us and look forward to adding value to the products U.S. Medical supplies to its customers."

### **About Connectyx Technologies Holding Group Inc.**

Connectyx Technologies provides unique products for the healthcare market including the electronic Personal Health Manager (PHM), MedFlash. Compatible with Google Health and Microsoft's Health Vault, MedFlash is an easy to use Personal Health and Lifestyle Manager that is accessible using a powerful web portal suite, it also features a 24/7/365 call center, a USB flash drive and our soon to be released smart phone applications. The MedFlash PHM provides the benefit of having its members Emergency Medical Profile and Personal Health Record available instantly in case of an accident or a medical emergency. Whether traveling, at work, or at home, First Responders have an invaluable advantage when they have access to this time critical information. Far more than just an emergency flash drive, MedFlash can be accessed on any computer, securely and with complete privacy for members. There are also lifestyle and wellness features that can provide significant health benefits and cost and liability savings for its members, employers and insurers alike.

MedFlash members are also able to arrive at their Doctors offices with their paperwork pre-printed and ready to go, insurance information and advance directives are available at a moment's notice through their partnership with Instant Medical History a leader in patient interview software. Prescriptions can also be listed for the physician's reference. Those are just a few of the time saving features the MedFlash PHM provides. Connectyx products are developed with the needs of Patients, Families, Doctors and First Responders in mind.
